

Cookie Policy

1. What Are Cookies

Cookies are small text files stored on your device when you visit a website or use a web application.

2. Essential Cookies

These cookies are required for the platform to function. You cannot opt out of essential cookies while using the platform.

- Session token: keeps you logged in — duration: session
- CSRF token: protects against cross-site request forgery — duration: session
- Auth state: remembers your authentication status — duration: up to 30 days if stay logged in is selected

3. Functional Cookies

These cookies remember your preferences.

- Theme preference: remembers light/dark mode — duration: 12 months
- Last search filters: pre-fills recent search settings — duration: 30 days

4. Analytics Cookies

We use analytics tools to understand how the platform is used so we can improve it. These tools may set cookies to track sessions and behaviour in aggregate. We do not use analytics cookies to identify you personally.

- Analytics tool: PostHog — duration: up to 12 months

5. Marketing Cookies

We do not currently use marketing or advertising cookies.

6. Third-Party Cookies

Some cookies are set by third-party services including our payment provider and analytics tool. These third parties have their own policies.

7. Managing Cookies

You can configure your browser to block or delete cookies. Blocking essential cookies will prevent you from using the gora platform. Functional preferences can be managed in your account settings.

8. Updates

We may update this Cookie Policy as we add new tools. The effective date above will be updated when changes are made.

9. Contact
